LAND DETAILS

Location	Chalok Lam Bay Hillside Development	Ref. Number	L0103-B
Property Description	<p>Chalok Lam Bay Hillside Development is located immediately to the east of Chalok Lam Riverside Development I and is available for sub division into smaller plots. The land lies on the Chalok Lam – Haad Khom Road – a new 6 million Baht road that will soon be built. This road will also bring in fresh supplies of electricity and new communications into the region.</p> <p>The plot nestles in the frame of the mountain and is bounded on the northern border with large chunky rock formations that add strong foundation possibilities. In the rainy season the boundary entertains a fast moving stream with a waterfall as the rains move down the mountain.</p> <p>On the western edge of the plot there are less rocks, more meadow and the gradient of the land is more even.</p> <p>The lower boundary borders the road with views down to the river across the meadows. The upper reaches of the land offer fantastic views over the Chalok Lam Bay area.</p> <p>The properties represent perfect opportunities for bungalows, villas, chalet style and residential developments as well as restaurant and shopping facilities.</p> <p>In the videos and photographs the land has not been cleared of foliage however once this is done (for just a few thousand Baht) the potential of the land can be optimized.</p>
